We invite you

Neurolite Academy – NIBS Training Course rTMS in Psychiatry

With the official recognition of rTMS, a new era in psychiatric care begins. Take this opportunity to position yourself at the forefront of this development. Join a compelling programme with internationally recognised experts — combining theory, clinical practice and hands-on training to explore the role of **rTMS in treatment-resistant depression.**

Date and Venue

Tuesday, January 26th 2027 in the old “Burgerhospital” right next to the train station, Bahnhofplatz 2, 3001 Berne | Room: Spittelsaal, 3. OG | www.begh.ch

Language

The training will be held in English.

Participation fee

CHF 650.-* incl. catering.

**All Neurolite maintenance contract customers receive a 25% discount on participation fees.*
